### **SUMMARY OF MATERIAL MODIFICATIONS**

The Board of Trustees of the Electrical Welfare Trust Fund (“Fund”) has adopted the following changes to the Electrical Welfare Trust Fund’s Plan document. Please keep this document with your Summary Plan Description (“SPD”) and you Summary of Benefits and Coverage (“SBC”).

#### **COVID-19 Vaccine Coverage**

Effective March 23, 2021, the following services are now covered under the Plan’s Medical Benefit and Prescription Drug Benefit on an in-network and out-of-network basis with no cost sharing (i.e. no deductibles, co-payments and co-premiums) and no requirement of prior authorization:

- A COVID-19 immunization that has a recommendation from the Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention (regardless of whether the immunization is recommended for routine use), after such recommendation has been in effect for 15 business days; and
- Items and services that are an integral part of furnishing the covered immunization, including vaccine administration.

#### Office Visit Coverage

There are limited situations in which an office visit is payable under this COVID-19 Vaccination Coverage. The following conditions apply to payment for office visits under the COVID-19 Vaccination Coverage:

- If the covered immunization, item or service is billed separately from an office visit, then the Fund will impose cost-sharing with respect to the office visit.
- If the covered immunization, item or service is not billed separately from the office visit, and the primary purpose of the office visit is the delivery of the immunization, then the Fund will pay for the office visit without cost-sharing.
- If the covered immunization, item or service is not billed separately from the office visit, and the primary purpose of the office visit is not the delivery of the immunization, then the Fund will impose cost-sharing with respect to the office visit.
