**NOTE:** No benefits are payable for work-related injuries or illnesses or for injuries that are caused by a third party such as another motorist.

The rules of this plan provide that the responsible third party, or the injured person's private insurance, such as homeowners or motor vehicle insurance, be primarily responsible for payment for medical expenses and lost time. This plan will "advance" or "loan" benefits to pay bills as they come in. Any "advances" or "loan" of benefits are to be repaid to EWTF once the third party, whether an individual, employer, or insurance company has made payment. To secure such repayment, EWTF requires that the individual and their attorney, if any, sign a promissory note and repayment agreement before benefits are advanced.

I hereby certify that these statements are complete and true.
