Dear Retiree:

We recommend you have your Electrical Welfare Trust Fund (EWTF) health care premium deducted from your monthly Electrical Workers Local No. 26 Pension payment.

This means that rather than writing and mailing a check quarterly your coverage will automatically be maintained through the monthly deduction program.

This service will save time and money for both the Pension and Welfare plans as well as being a convenience to you.

Below is an authorization form. Please complete and return to the Pension Trust Fund in the envelope provided.

Sincerely,

Robin Balint

Authorization for EWTF Premium Deduction

You should complete this form if you want your Electrical Welfare Trust Fund premium deducted from your monthly pension check.

I hereby authorize the Electrical Workers Local No.26 Pension Trust Fund (the Fund) to deduct each month from my pension check, the premium due for continued EWTF coverage under the retirement provisions of that plan. I also understand that should the premium be changed by authorization of the Board of Trustees of the EWTF, the amount to be deducted would be adjusted accordingly.

This authority is to remain in full force and effect until the Fund has received written notification from me of its termination in such time and in such manner as to afford the Fund a reasonable opportunity to act upon it.
