

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, see www.ewtf.org or call 1-800-929-EWTF (3983). For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at www.healthcare.gov/sbc-glossary/ or call 1-800-929-EWTF (3983) to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	\$150/individual or \$300/family	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay for covered services. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u> ?	Yes. <u>In-network preventive care</u> , outpatient surgery facility services, second surgical opinions, inpatient hospital services, <u>skilled nursing care</u> , and <u>hospice services</u> are covered before you meet your <u>deductible</u>	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply.
Are there other <u>deductibles</u> for specific services?	No	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u> ?	Not Applicable.	This <u>plan</u> does not have an <u>out-of-pocket limit</u> .
What is not included in the <u>out-of-pocket limit</u> ?	Not Applicable.	This <u>plan</u> does not have an <u>out-of-pocket limit</u> on your expenses.
Will you pay less if you use a <u>network provider</u> ?	Yes. See www.ewtf.org or call 1-800-929-EWTF (3983) for a list of <u>network providers</u>	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the full cost if you use an <u>out-of-network provider</u> , and you will receive a bill from a <u>provider</u> for the <u>provider's charge</u> , because this <u>plan</u> does not cover out-of-network claims. Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No	You can see the <u>specialist</u> you choose without a <u>referral</u> .

 All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
